

STATEMENT REGARDING RESPONSIBLE MINERALS INITIATIVE (RMI) PARTICIPATION

NARAYAN Organics Pvt. Ltd. is committed to maintaining a conflict-free supply chain and upholding the highest standards of transparency, integrity, and ethical business conduct.

We actively support the principles of the Responsible Minerals Initiative (RMI) and are committed to promoting responsible and transparent sourcing practices for minerals and other applicable materials.

We require that all materials sourced through our supply chain conform to internationally recognized responsible sourcing standards, including those established under the Responsible Minerals Assurance Process (RMAP). Our due diligence framework is structured, risk-based, and aligned with global best practices, with a strong focus on identifying, preventing, and mitigating social risks, including child labor.

Narayan Organics actively contributes to key industry action groups covering Supply Chain Mapping & Workplace Standards, Legal Frameworks, and Communication. Through these efforts, we continuously strengthen traceability, supplier engagement, and compliance monitoring mechanisms.

To support customer transparency and conflict-free sourcing requirements, Narayan Organics completes and provides declarations certify that our materials are derived either from recycled scrap sources ensuring alignment with RMI expectations and the due diligence guidance

We trust this statement provides clear confirmation of Narayan Organics Pvt. Ltd.'s responsible sourcing and compliance position.
